Mr. John L. Patterson, who last fall sold his holdings in the Rosemary Manufacturing Company to join his family, Mrs. Patterson and children, having gone there in the early part of January.

## PLAN OF CO-OPERATIVE NURSING

The County Red Cross Chapters in this state are being authorized to expend funds for public health nursing. If such be the desire of their executive committees and where there are whole time health departments it is highly desirable for the Red Cross chapter, if they have the funds in their treasury, to vote the expenditure of the budget, which includes salary, car and upkeep of the car of a public health nurse. The chapters are instructed to appoint a Nursing Activities Committee and through this nursing committee to finance the county nurse, either wholly from chapter funds or from a budget coming partly from chapter funds, partly from county funds, private subscription or any other supplementary item they may secure. The nurse thus employed is to be detailed for work in the county under the direction of the County Health Officer and her work is to be in conjunction with the State Bureau of Infant Hygiene.

The work recommended by the State for the nurse to effect, where she is working under full time health department, includes intensive infant welfare work which consist of the reporting of pre-natal cases (to whom advisory letters and other literature will be sent) also group and individual instruction to pre-natal cases and instruction in baby feeding and care of the mother; classes for instruction of mid-wives, etc.

The T. B. unit includes quite an extensive plan of health educational work which consists of the showing of T. B. films at schools and public gatherings, demonstrations in the homes of the care of T. B. patients, getting in touch with every reported case of T. B. in the county, getting up groups of suspected cases of T. B. and persons who have been in close contact with active T. B., etc. for examination by a specialist from the State Sanatorium. Her work will co-operate with the County Medical Profession. The work also includes work in the Bureau of Physical Inspection of School Children and the tonsil and adenoid clinical work.

This co-operative plan makes a closer co-ordination of work and workers and gives the Red Cross Chapter an opportunity to make a very valuable contribution to the general welfare of the county in a most practical way and admits of professional work being directed by a physician, viz, the Health Officer.

The reports of the nurse's work is made by her in duplicate one copy of which is sent to the County Nursing Activities Committee, the other copy is sent, through the State Bureau of Infant Hygiene, to the Red Cross Divisional Headquarters at Atlanta.

There are nine counties with nurses working on the co-operative plan at present. These are making a very valuable contribution to their county and the Red Cross as a national organization highly endorses this work as it feels that the most valuable contribution their chapters can make is to endorse and give financial help for their county public nursing.

Efforts will be made in the near future to get the Red Cross Chapters in Halifax County organized and the plan will be presented to them for consideration. There is a vast field for this work in Halifax County. It gives us a chance to relieve some of the sufferings of our own people and at the same time aid in the upbuilding of the general health standards of our county.

## A CARD OF THANKS

Mr. F. M. Jobs and family wish to express their appreciation of the many kindnesses shown them after the distressing accident which caused the death of their son.

## ANNIVERSARY CONCERT DELIGHTS LARGE CROWD

Many People Delightfully astonished by Progress of Local Band.

The concert Sunday afternoon in the Peoples Theatre by the Roanoke Rapids Band celebrating their first anniversary, was greatly enjoyed by one of the largest audiences ever seen in this theatre.

The program which was published in our last issue was rendered in a manner that would speak well for an organization twice the age of our band, and to those who have not followed the progress of this organization the rendering of such a well balanced program was a very pleasant surprise. The band has been directed since its organization by Mr. Arthur Whitely, whose ability as an instructor and leader, is largely responsible for the wonderful progress made by the band.

The band is conducted on modern business principles, Mr. R. L. Towe being its business manager.

## MOTHERS CLUB MEETS

The Twentieth Century Mothers Club, meets Wednesday afternoon Jan. 21st, at the home of Mrs. S. P. Patterson.

Paper--The Choice of Literature for Children, Mrs. A. P. McPherson.

General discussion based on the paper and preparatory readings. Rigoletto Paraphrase--Verdi Liszt.

Reading, Books in the Home, Mrs. W. G. Lynch.

Polonaise--Chaplin.

Reading--A Neglected Duty, Mrs. C. F. Satterwhite.

Dance of the Guineses--Liszt.

Reading--The Home Library, Mrs. F. M. Shute.

La Campanella--Paganini Liszt.

Little Folks Song--Up the Ladder.

Misses Whitaker and Hardaway will care for children during the meeting for 25 cts. a child.

Mrs. S. P. Patterson has kindly offered to send mother and child to the place appointed for the nursery in her car. If any one wishes to take advantage of this opportunity please Mrs. W. L. Long the evening before the meeting. We have 35 members but are not satisfied with their presence only. All mothers are most cordially invited to all these meetings.

They are not only interesting but very instructive and mothers need all the help available in training little folks. We will be more than pleased to see you Wednesday.

## MR. F. P. SHIELDS DEAD

Mr. Frank P. Shields, of Scotland Neck, and one of the most prominent men in the lower part of the county, died suddenly Friday afternoon. Some form of heart trouble causing his death.

Mr. Shields was active in the religious, educational and business interests of his county and State, and was a director of the Thomasville Orphanage, the Wake Forest College and Meredith College, a prominent banker and farmer.

Interment was made in the Baptist Cemetery at Scotland Neck Sunday afternoon attended by a large host of friends and admirers from many sections of the state.

## STOCK COMPANY HERE ALL NEXT WEEK

## BAPTIST CHURCH NEWS

Increased interest among Baptist people as result of 75 Million Campaign.

The pastor of the Baptist Church of Roanoke Rapids states that the 75 Million campaign has had a very encouraging effect upon the work of the church in several ways. The attendance upon the service are increasing and the people seem to enter into the services more heartily than formerly. On last Sunday every gathering in the church was unusually well attended, and at the evening hour the Sunbeams rendered a very interesting program in which Mrs. Bertie Brown took the leading part. Mrs. Brown has exceptionally fine talent for work of this kind among children, and she is making good use of it as Sunbeam leader.

The pastor of the church wishes to extend a very hearty welcome to the services of the church to the many new residents among us.

## NEW PARTNERSHIP FORMED

Mr. E. B. Glover and O. L. Smith, a former resident of Roanoke Rapids, but more recently of Cedar Town, Ga., have formed a partnership for the conducting of a furniture and undertaking business. The new firm is occupying the new building erected by Mr. Glover last fall.

These men are beginning with a capital of \$10,000.00 and will carry a large and varied stock.

Miss Myrtle Smith, daughter of Mr. Smith, has accepted a position as bookkeeper.

## MR. FRANK JOBES KILLED BY AEOPLANE

Was Trying to Aid an Injured Associate and Struck by Propeller.

A very distressing accident occurred Friday afternoon at 4:30 when Mr. Frank Jobs, of Honeoye Falls, New York, was killed by his aeroplane. Mr. Jobs accompanied by his pilot Mr. Robt. Berthe, of Montreal and Mr. Earl Staufferecher of Ackley, Iowa, mechanic, went to his landing field, just back of the Rosemary School about four o'clock and prepared for a flight.

Mr. Berthe was seated in the machine when Mr. Staufferecher attempted to crank it, the motor fired sooner than expected, the propeller striking him on the knee with a severe blow, which knocked him down. Mr. Jobs seeing the accident rushed to his friend's assistance and in his eagerness to reach him, forgot or misjudged the range of the propeller which struck the right side of his head killing him instantly.

Medical aid was secured and Mr. Staufferecher was taken to the hospital where it was found that he was suffering from a contusion of the knee. It is doing fairly well and he may be able to be out in ten days.

The parents of the deceased were notified of the tragic occurrence and Saturday night his father Mr. J. F. Darrohn, arrived from Western New York. The deceased arrived in Rosemary Tuesday night and although he was here only a few days his attractive personality and genteel manner made a splendid impression upon our people.

Those who were fortunate enough to meet him instantly became his friends. He leaves a wife and young son in Honeoye Falls, N. Y., and his parents, for whom the hearts of our people go out in the most tenderest and genuine sympathy.

The funeral party left Weldon on No. 80 Sunday afternoon. A committee from the Masonic Fraternity accompanied them to Weldon.

## Christian Church, Gleanings

Two were added to the church last Sunday by confession. Our membership now is 423.

The Loyal Womens Class had twenty-nine present and so won the Sunday-School banner. The pastor's class had twenty-seven present. There will be a "Bible Bee" at the Sunday School hour Sunday morning the members of the pastors class will choose sides and answer questions similar to the old time spelling match. Public is cordially invited. First Sunday in March will be observed as Foreign and Home Mission Day. A special offering will be taken for same.

The minister has moved to his home on Virginia Avenue which he purchased through the Roanoke Rapids Building and Loan Association. On Saturday afternoon before Easter the Sunday School will give an Easter egg hunt. A number of prizes will be given away. There will be different kinds of contests and those winning will receive a prize. Also on Easter Sunday night there will be a special program. We will announce in a few days about the revival for this year.

Quite a number have increased their pledge for pastor's salary and many who have not been giving have promised to help this year. Members of church and non-members are invited to help in any department of the church. Pastor's salary, building fund, education, mission etc.

The Cottage prayer meeting held in Patterson-Mills village every Tuesday night is probably the largest prayer meeting in the community. The average attendance is about thirty-one or two. We have had as many as ninety-seven. On a number of occasions the attendance was about sixty. J. T. Killbrow is the leader of the meeting.

## "FROM AN OUNCE OF SPICE TO 30 TONS OF STEEL"

The above is the song of our expostmaster, who last fall secured a Ford and set out to supply an innocent public with honest weights. The instrument he is championing is Toledo Scales, which he claims, will give his honest weight also! however he is a little bashful when his weight is mentioned.

Arriving at brass tacks our townsman Mr. McRae Faison who recently joined the sales force of the Toledo Scales Co. is making a place for himself in the organization he has just gone with. He thinks, talks and advertises Toledo Scales and his records show that he is selling scales. He believes his local advertising is helping him and so do we.

## ROANOKE RAPIDS HIGH SCHOOL DEFEATS SCOTLAND NECK

On Wednesday afternoon for the second time this season, the R. R. H. S. Boys Basketball team defeated the Scotland Neck quintet, the score being 27 to 6. From the first minute, the game belonged to the home team, whose superior passing completely out-classed their rivals. The score at the close of the first half stood 14 to 4. Instead of being discouraged, the visitors came into the second half with a practically new line up and played to the finish, the game closing with a score of 27 to 6. Only one foul was made during the process of the game. For the home team, Spencer scored 3, John Cates, 6; Clarence Cates 6 and Earl Daughtry 2.

The pass-work and guarding of Ailsbrook and Daughtry deserves special mention although every player starred in his position.

The line up was as follows.

S. N.	R. R.
Madry	R. Forward
J. Cates	J. Cates
Burroughs	L. Forward
Spencer	Shackle
Center	C. Cates
Temple	R. Guard
Ailsbrook	Whitehead
L. Guard	Daughtry
Substitute	Wilkinson

## WOMANS CLUB MEETS

A very interesting meeting of the Woman's Literary Club was held in the home of Mrs. E. W. Lehman in Rosemary Friday afternoon. An excellent paper was read by Mrs. C. A. Wyche entitled "Womens Part in Educational Advantages" Mrs. T. W. M. Long presented an illuminating sketch, "Notable Women Educators."

These papers were followed by

## Important Notice to Subscribers

Since 1917 the cost of publishing The Roanoke Rapids Herald has increased to such an extent that we must increase the subscription price from \$1.50 a year to

**\$2.00 A YEAR**  
Effective April 1, 1920

We feel that the majority of our readers have been wondering how we kept the price down in the face of the continual advance of everything. As some advertisers say "it was our loss and your gain."

New Subscriptions and Renewals for Any Number of Years Will be Accepted at \$1.50 Up to April 1, 1920

**Roanoke Rapids Herald**
